

RAUL CASTRO TO ACKNOWLEDGE THE MURDER OF MENDOZA VILLAR WILMAN

PRESS RELEASE

JANUARY 25, 2012

RAUL CASTRO TO ACKNOWLEDGE THE MURDER OF MENDOZA VILLAR WILMAN

The Lawton Foundation for Human Rights condemns starvation of Cuban dissident Wilman Villar Mendosa

The lack of proper medical care during the hunger strike and the indifference of the government of Cuba to the reasonable requests of political prisoner guilty of murder Villar the president Raul Castro Ruz.

The Lawton Foundation members are appalled by the vileness of this crime and join us spiritually and morally to the pain of the wife Maritza Pelegrino Cabrales, children and other relatives.

We appreciate the solidarity with the family of the victim and condemnation of the Castro dictatorship by governments and democratic nations

such as Spanish  
, Chilean  
, American  
, German  
and British.

We invite all people of good will and governments of all countries of the world to condemn the tyrannical regime in Cuba and support the Cuban people's right to enjoy fundamental human rights, democracy and freedom.

Dr. Oscar Elias Biscet Gonzalez.

Chairman.
