OPEN LETTER FROM THE LAWTON FOUNDATION FOR HUMAN RIGHTS TO  
THE SUMMIT OF THE  
INTERNATIONAL COMMITTEE FOR DEMOCRACY IN  
CUBA, TO BE HELD IN PRAGUE, CZECH REPUBLIC  
ON SEPTEMBER OF THE  
YEAR 2004 by Dr. Angel Garrido

Honorable Friends of Democracy:

Today, I am here to speak on behalf of a Cuban citizen who is  
confined to a close punishment cell in Cuba. His name  
is Dr. Oscar Elias  
Biscet, a christian, afro-cuban, medical doctor by  
profession. Dr. Biscet is 43 years old and has dedicated his life  
to the defense of human  
rights and the struggle to free Cuba  
from a totalitarian regime. For this reason, he has been  
incarcerated for almost 5 years and is currently  
being held in a  
punishment cell block at the maximum security prison Km 8,  
in Pinar del Rio, Cuba.
