

# THE PAN AMERICAN CUBAN MEDICAL CONVENTION

Miami, April 9, 2004

Dr. Oscar Elias Biscet  
Prision Kilo 8  
Pinar del Rio, Cuba

Dear Dr. Biscet,

By this means we are communicating to you that the executive committee of The Pan American Cuban Medical Convention unanimously agreed to appoint you President of Honor of this assembly that will take place from June 30th to July 4th at the Intercontinental Hotel in Miami.

We pray to God that by then, those of you who are currently in prison and our suffered people may be already enjoying the freedom for which we have been fighting for so long.

You are the vanguard of the heroic deed being performed for the Cuba that we all wish, and your sacrifice will not be in vain.

We hope that you accept this humble recognition from your colleagues in the exile.

Sincerely,

Dr. Gerardo F. Santos  
Director of the Scientific Program

Dr. Alberto Hernandez  
Chairman
